U12s & U10s Sunday  
10:30am - 12pm

U8s Sunday 10.30 -  
11.30am

## Membership Fees - Senior Section

With the league matches starting it is now time for membership fees for the **members who play senior hockey** to be paid.

Thank you for those who have already paid.

For this season it can be done in one of four ways:-

1. Full balance paid in one go by end October
2. 50% by end of October and the remaining 50% paid in January 2021
3. Six equal monthly payments from October - March
4. If you are taking part in Sunday mornings training continue to book and pay weekly (no need to pay lump sum)

Obviously if anything causes hockey to be cancelled during the season, payments can be refunded if the season comes to a premature end or rolled over to cover next season's fees.

If you have any questions, please email Simon Higgs:

[Newarkhockey.treasurer@gmail.com](mailto:Newarkhockey.treasurer@gmail.com) or speak to a committee member

## Player Development Committee

It is important we ensure the development of every member of the club is given careful consideration so we are establishing a Player Development Committee.

The aim of the committee is not to choose weekly teams or squads, but to make sure we have a pathway for all players throughout the club to move up or down teams.

At the committee meetings which will be held 3 or 4 times a season, we will look at every registered player and discuss their current development and their own aspirations, for which team they would like to play for. We recognise that sometimes people will want to be stretched, and other times players may wish to play at a lower level to gain more confidence or to help progress our juniors coming through.

This system will work both ways with having coaches comments but also comments from players fed into the discussions, in order to know where this player would like to be playing and how we can offer them the best route for development whilst at the club. This will be an ever evolving process and for it to work we would like players to be as open as possible when speaking to coaches and captains about their own hockey and the ambitions whilst at the club.

The committee includes the following people, Ladies club captain, Mens club captain, Junior head coach, all of the senior coaches as well as myself the development officer. Some meetings may also include Jason our Hurricane Sports representative.

Any questions please contact me directly; I understand this is a new concept but we feel it is the best way of developing players with coaches and self assessment.

*Shanade Bradley, Development Officer*

M2s v Mansfield

### A note from the President...

The season has started with both our Juniors and Seniors playing competitive hockey. I am hopeful this will continue as long as possible. Our return to hockey, during these very challenging times, wouldn't have been possible without Ann and Shanade who worked tirelessly through all of the regulations to get us back. My thanks go to them particularly but also to all of the Committee for their work and time on Zoom meetings during the Summer.

Here's hoping for a full season of hockey.

Tim Burch, President

### Junior Hockey

The junior section has got off to a great start this season. Many thanks to all the parents who have quickly got on board with our new booking system – this has helped us immensely as we no longer need to handle cash at registration.

There have been over 100 juniors regularly training over the last few weeks and we have welcomed a number of new members to the club.

We have also been participating in a number of NoDe tournaments as well as a couple of matches over the last few weeks. Our U10 boys were all-conquering in their tournament and the U14 girls and U14 boys managed several wins and were unbeaten in their tournaments. The U12s had wins, draws and losses. There are several more matches and tournaments planned through out the season, including u8s, and we will endeavour to ensure all players get the opportunity to participate in matches

Ann Crockett-McLean, Head of Juniors
